

Grove School

Nursery Holiday Project

Autumn half term 2017

Nursery are going to be learning all about our community and people who help us.

Use some empty boxes and containers to make a model of a fire engine, ambulance, police car or even a builder's dumper truck!

You could even paint it. Look at pictures of these vehicles to help you with some ideas!

How many wheels has your vehicle got?

Please return your model on Tuesday 31<sup>st</sup> October
