

Name:

Grove School

Nursery Holiday Project Spring 2021

Next Term we will be learning all about our world and the small creatures in it. Our topic is called 'Fur and Feathers'. We would like you to set up a garden watch. You can go in to your garden or even the local park. Have a good look to for these small creatures and see how many you can find.

Fur and Feathers Tally Chart IIII		
Creature	Tally III	Total
 bird		
 spider		
 ladybird		
 snail		
 worm		

Draw a picture of your favourite.

Have fun and be ready to talk about your Garden Watch on Monday 19th April, 2021.
