Reception Holiday Project

Easter 2018

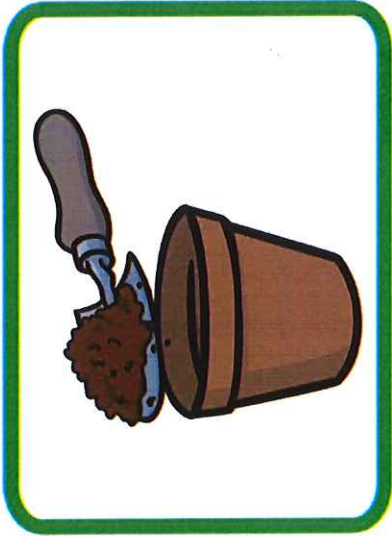

After the half-term holiday our topic will be 'Ready Steady Grow' .
Please match the pictures and sentences and put them in the correct order to show
how the plant grows.

Please bring your homework back to school on

Monday 16th April 2016

Grove School

Fill the plant pot
with soil.

The seeds begin to sprout
and grow.

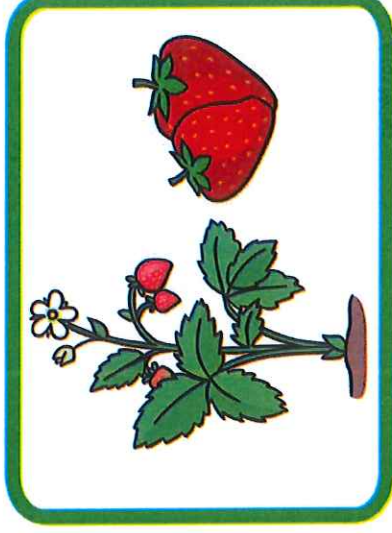

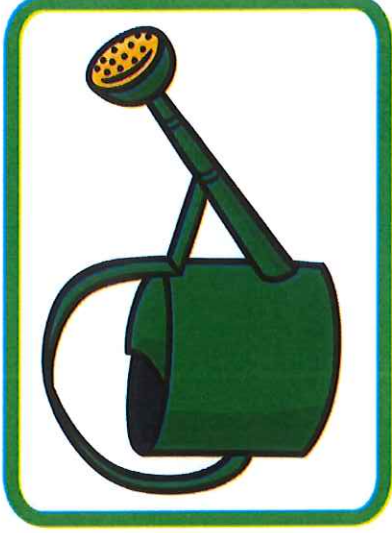

Plant the seeds into
the soil.

The plant grows and
begins to flower.

Using a watering can,
water the seeds.

Fruit then grows on
the plant.

Fruit Plant Growth Sequencing
