

Reception Holiday Project

October half term 2018

Next term Reception will be learning about different festivals and how we celebrate them. Think about the festivals and occasions you celebrate at home. Draw a picture of you celebrating with your family. Bring a photograph in to show your class and talk about how you celebrate. Any parents who wish to join us and talk about, possibly show us, how they celebrate are warmly welcome. Please talk to your child's class teacher.

Please return your homework and your photograph on Monday 5th November, 2018. Your photograph will be returned to you if you write your name on the back.
