

Grove School

Reception Holiday Project December 2019

Next term Reception will be learning about materials in the world around us. We will collect and sort different materials. We will use words to describe the way they feel, such as hard, soft, shiny, rough and smooth.

Can you find 3 different materials to bring to school?

For example, you could bring some shiny kitchen foil, some soft cotton wool or some smooth paper.

What did you find?

What did they feel like?

Please return your puppet to your teacher on Monday 6th January, 2020. This is the first day of school. Reception staff wish you all a happy and peaceful holiday!
