

Grove School

## Reception Holiday Project February half term 2022

Next half term our theme is 'On the Move!'

We will be exploring different ways of moving our bodies and looking at types of vehicles.

As part of Understanding the World, we will be exploring the forces of push and pull and we will explore how things are made.

During the half term holiday, please make or design a vehicle of your choice. Remember all the things you have learned about materials and think about the best type of material to make your vehicle. Look carefully at the vehicles on the road and the shapes you can see. Add the correct number of wheels, if your vehicle has wheels. Label your vehicle if you choose to design on paper.

Please bring models or drawings to school on Monday 28<sup>th</sup> February 2022
