

Autumn 2018: Natural Disasters

Your task is to design **an informative poster** about a recent natural disaster. Natural disasters include earthquakes, tornadoes, hurricanes, tsunamis, volcano eruptions, landslides, wildfires, drought and floods.

You can choose any recent natural disaster that interests you. For example, you could do a poster about:

- Hurricane Michael in the USA in October 2018
- The earthquake and tsunami in Indonesia in September 2018
- The eruption of the Volcan de Fuego volcano in Guatemala in June 2018
- The monsoon flooding in Bangladesh in July-September 2017

When writing your poster, try to answer the following questions:

1. About the emergency

- a. What is the emergency?
- b. How did it happen?
- c. Where did it happen?

2. Impacts

- a. What effects did the emergency have on people?
- b. What effects did the emergency have on buildings and businesses?
- c. How did people feel during and after the emergency?

3. Responding safely

- a. What could people have done to stay safe in the emergency?
- b. What could people have done to stay calm in the emergency?
- c. Who responded to the emergency? What help did they give?
