

Year 1

Holiday Project

Spring half-term 2021

Next half term our topic is 'Who is the Queen and what important things does she do?' The Queen is a very important person in our country and we will be learning all about why she is important.

For your holiday project we would like you to draw or paint a portrait of an important person in your life. We would also like you to write who the person is and why they are special to you.

Please email your holiday project back to your teacher on Monday 22nd
February 2021.
