

Year 1

Holiday project

Spring half-term 2019

Next half term our topic is 'Who Do You Think You Are?' We will be comparing portraits of Queen Victoria and Queen Elizabeth II.

For your holiday project we would like you to draw or paint a portrait of an important person in your life. We would also like you to write who the person is and why they are special to you.

We will put the best examples of your work on display, so make sure your handwriting is neat and you present your work with care.

Please return your holiday project to your teacher on Monday 25th February.
