

## Beam Me Up Scotty!

Year 1 teachers are in need of your help. . .they have been locked in school by a ferocious predator who can only be beaten by aliens with special powers. Do you have what it takes to save the teachers?

If you are the person for the job, below is your mission. Read it carefully because the fate of your education is at risk here.

Using junk boxes and anything else you can find, we need you to build an alien that will rescue the trapped teachers. Remember it needs to be able to take on the most fearsome creature and defeat it with its special powers. Name your alien and tell us what special powers it has too.

Please rescue the teachers because they are scared of the dark and terrified of being alone without the brave children to keep them safe.

Please return your work to your teacher on Monday 29<sup>th</sup> April.
