

Year 2 Holiday Project

Spring 2021

Our topic for the next half term is Growing Up!

It is a very exciting theme all about how to stay fit and healthy as we grow.

For this holiday project you have a choice of what you can do.

Your options are:

- Make an instructional poster about how to stay healthy. It could be how to play your favourite sport, how to make a healthy meal, how to brush your teeth well or anything else you can think of about being fit and healthy!

or

- Create a healthy and balanced meal. You can present this as a drawing, photo, poster or a model that you have made.

You do not need to do both of them, just pick one that you think you can do really well. Be creative and enjoy!

Please email your work to your teacher by Monday 19th April
