

Year 2 Holiday Project February half-term 2022

Next half term we will be learning about plants and trees in science. We will also find out about a famous broadcaster who makes documentaries about plants and trees, as well as animals all over the world.

The broadcaster's name is Sir David Attenborough.

Your task is to research facts about David Attenborough and make a fact file about him. Remember to add subheadings and a 'Did you know' fact about him too.

Please return or email your holiday project to your teacher by Monday
28th February 2022
