

# Year 2 Holiday Project

## Summer 2018

In Year 3 we are going back in time through history, looking at life from the beginning of the Stone Age to the end of the Iron Age.

Your task is to research the Stone Age and find out what it is. You can present your findings in whichever way you want. You could:

- Make a poster about it.
- Make a fact file about it.
- Make a presentation on JIT about it.

You may want to think about some of these questions:

When was the Stone Age? What was the Stone Age? Why was it called the Stone Age? How did life change from the Stone Age to the Iron Age?

Please return your project to school on Tuesday 4<sup>th</sup> September.
