

Grove School

Year 3 Holiday Project

Autumn half term 2018

Extreme Weather Around the World

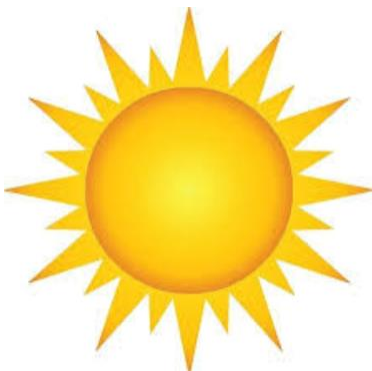

Next half term, we will be learning all about extreme weathers in Britain and around the rest of the world.

Over the holiday, we would like you to investigate different types of weather that we might experience around the world.

You could do this by:

- Creating a weather diary for the half term including temperatures, description of the weather and how you prepared yourself for the weather.
- A poster about different types of weather around the world.

- A poem about a specific type of weather using rhyming words and lovely adjectives.

- A piece of art that shows a type of weather that you like.

Please return your holiday project to school on Monday 5th November.
