

Year 4

## Summer Holiday Project 2018

In year 5 we will be studying the Victorians.

For your holiday project you are going to find out about Queen Victoria.

As well as all the historical facts, you could also see if you can find any unusual facts about her or her family.

How is she related to Queen Elizabeth II?

Why does Birmingham have a statue of Queen Victoria in Victoria Square?

Did Queen Victoria ever visit Birmingham?

Are there any unusual things named after her or in honour of her?

You can present your work as a poster, a leaflet or you can use a computer.

Please return your project to school on Tuesday 4<sup>th</sup> September.
