## Year 4 Holiday Project October Half Term 2019

Next half term, we will be learning about the Vikings. During this topic, we will be learning about the geography and history of the Vikings and considering how life was different in comparison to our lives and the lives of others through history.

We would like you to choose one of these different areas of Viking history to work on:

- Viking longships
- Viking art and culture
- Viking law
- Viking invasions

We would like you to create something that represents what you have chosen to research. You can choose what you want to create. For example, a piece of artwork, a model, a factual poster, a presentation etc.

Please complete your work and return to your class teacher on  
Monday 4<sup>th</sup> November 2019.
