Year 4 Holiday Project Autumn Half Term 2017

For this half term's holiday project we would like you to find out about the Vikings and Anglo Saxons.

Where did the Vikings come from?
Where did they land?
Why did they invade?

You could also think about the food they ate, the clothes they wore and the homes they lived in.

Present your ideas as a document on BGFL J2e, a poster, book or video or a mixture of them all.

Please return these to school on Tuesday 3rd October 2017
