

Grove School

Year 5 Holiday Project Peace topic. December 2019

During the spring term we will be exploring the theme of **peace**: how we can create a world with peace, harmony and unity; learning what different religions believe about caring for others and what rules they follow to help them do this. We will also take an in-depth look at some inspirational leaders who have promoted peace and explore the impact of religion on maintaining peace.

For your holiday project your year 5 teachers would like you to research all about the Nobel Peace Prize.

When did it begin? Who started it? How do you win the prize? Who has won the peace prize and why did they win it?

As part of your research we would like you to write a profile of one of the winners of the Nobel Peace prize, explaining who they are, when they won the prize and what they won the prize for.

To get you started here are a few more famous people who have won the Nobel Peace Prize. You can choose one of these to do your research on or someone completely different.

You can create a poster, a leaflet, a written biography or you can create a J2e web page on BCFL.

Please return your holiday project to your teacher on **Monday 6th January 2020.**
