Year 5 Holiday project

February 2021

Next term year 5 will be studying Buddhism. We would like you to find out as much as you can about Buddha and his teachings.

Can answer these questions:

- *Who is the founder of Buddhism?
- *Who was Siddhartha Gautama?
- *What are the symbols of Buddhism?
- *What did Buddha teach?

Can you find any similarities or differences to other religions that you have studied?

The websites below may be useful. Remember to use the internet safely. Work in a room with an adult. Tell them if you see anything online that concerns you.
