

Grove School

Year 6 Holiday Project May 2019

Next half term, we will be starting to work on our end of year production, *A Series of Unfortunate Events*.

We would like you to complete some creative work to help us prepare for this.

You could:

- Design a costume for one of the main characters
- Design a set for one of the key moments
- Create a poster to advertise the production

This could be sketched with a pencil or you could decide to use paints, pencil crayons or even create a collage using different materials.

Please return your holiday project to your teacher on Monday 3rd June 2019.
