

Year 6 Holiday Project Summer Half Term 2020

Next term we will begin our study of the world's most famous playwright, William Shakespeare! This holiday we would like you to begin to familiarise yourself with this inspirational man and his timeless plays.

Activity 1: Who was William Shakespeare? Do some research and see what you can find out about him. See what interesting and unusual facts you can find out about him. Find an interesting way to present your findings.

Activity 2: Make a comic strip, summarising one of Shakespeare's plays.

Activity 3: Act out one of the plays with members of your family or perform as one of the characters. You could write your own script and take photographs or a video of you in action.

Activity 4: Make finger puppets of the characters from your chosen play and create a puppet show to perform to your family.
