

Year 6 Holiday Project Easter 2018

Last year we raised over £ 160 for Great Ormond Street Hospital during our performances of 'Peter Pan'. This year we want to raise even more money when we perform 'Alice in Wonderland'. Our chosen charity this year is Birmingham Children's Hospital.

Your challenge this holiday is to create an advert for a fundraiser that could be held in school so that we can meet this target. You might like to think of 'Alice in Wonderland' themed activities that the Year 6 children would enjoy, or base your fundraiser on other events we have done in school which have been successful. Remember the money will be used to help many children when they need it most.

Please return your advert to school on Monday 16th April
