Are you a parent of a child with special or additional needs?

Do you want to meet with other parents and learn more about local and national services and what they can offer?

Do you want to feel more confident about working with practitioners and making decisions about your child's journey?

We warmly invite you to a series of workshops that have been written by and are led by trainers who are parent/carers of a child with additional needs themselves.

These workshops are for parent/carers of children and young people of any age, with any additional need, with or without a diagnosis. They are an attempt to support parent/carers through times of change and at whatever stage of the journey participants may find themselves.
