

Name:

Reception Holiday Project Spring 2021

Next Term we will be learning all about our world and the small creatures in it. Our topic is called 'Fur and Feathers'. We would like you to set up a garden watch. You can go in to your garden or even the local park. Have a good look to for these small creatures and see how many you can find.

Minibeasts Tally Chart IIII		
Minibeast	Tally III	Total
 bird		
 bee		
 ant		
 spider		
 ladybird		
 snail		
 worm		
 caterpillar		

Have fun and be ready to talk about your Garden Watch on Monday 19th April, 2021.
