

## Grove School

### School Performance Data 2023-2024

We are proud of our outcomes for 2023-2024. Attainment is improving. The gap is closing between results for Grove pupils, pupils in Birmingham and pupils nationally. In some areas outcomes for pupils at Grove are better than those in Birmingham and the national picture.

Some national results are yet to be published.

Where Grove outcomes are in line or above Birmingham or national we have highlighted this in green.
