

Grove School

To the parents of children in Year 1

Dear parents and carers,

The children have been busy learning about Diwali as part of their topic in religious education on festivals of light.

Through the story of Rama and Sita the children have explored the theme of friendship and loyalty; they have created rangoli designs and made diva lamps using clay.

On Monday the children will work with a West End choreographer to retell story through dance. This is an amazing opportunity for the children; I am sure they will want to tell you all about it.

All of this work will lead to our Diwali assembly. This year we are not able to invite you into school however we can invite you to a class sharing via Microsoft Teams on Wednesday 18th November at 2.15pm.

You will receive an email inviting you to this event.

Yours sincerely

E. Knight
