

# History – Year 3

## Spring 1 – Can we thank the Ancient Greeks for anything in our lives today?

In history I have already learnt:

To use sources such as: photographs, pictures, statues, plaques, diaries and evidence from archaeological sites to find out about the past.

To place important people and events from the past on a timeline

To say why people in the past did what they did.

To say what archaeological sites can tell a historian about how people lived in different periods of history.

To consider how significant people may be seen in different ways.

Wealth, discovered, soldiers, treasures, statue, landmarks.

Chronological order, significant events, pre-history.

Archaeologist, research, site, monument.
