

Religious Education – Year 4

Autumn 1– Caring for the World and Each Other

In RE I have learnt:

About how some of the main world religions teach us to care for one another. In Year 3, I have learnt about vegetarianism and the treatment of animals in the Hinduism topic. During the Sikhism topic in Year 3, I have learnt about the principle of equality and what it means to be treated unjustly. I also know about Guru Nanak's teachings about helping and caring about other people; many Sikhs show this through the practice of serving Langar at the Gurdwara.
