

Grove School

Year 3 Holiday Project - April 2021

Next term, our history and geography work will be about Handsworth.

For your holiday project, you have three options.

1. Interview someone you know who has lived in Handsworth for a long time and write a report on what they have told you.
2. Create a photo diary about life in Handsworth today.
3. Make a traveller's guide to Handsworth. What are the key landmarks, the best places to eat, the must visit places.

Save your work in your J2 Launch files or email it to your class email.
