

Year 4 Holiday Project Summer 2021

In year 4, we will be learning about the digestive system in science.

Your holiday task is to research the different teeth humans have and their purposes.

You can choose how to present your work. For example, a piece of artwork, a model, a factual poster or a presentation. You can use these websites to help you.

<https://www.coolkidfacts.com/teeth-facts/>

Be as creative as possible, we want to fill our classrooms with your beautiful work!

Please return your work to your class teacher on Monday 6th
