

Year 6 Holiday Project: Creation stories.

As part of our creation topic next term we would like you to travel the globe and try and research a creation story from *one* of these continents.

If you'd like a greater adventure why don't you try and discover a creation story from *each* of the continents shown above.

You can present your findings as a fact file or a creation story travel guide on J2e5 or on PowerPoint or a word document. If you would like to present your work on paper remember to take a photo of it and email your class teacher using your class email address.

Please have your research projects completed by Monday 22nd February 2021.
